LEGISLATIVE IMPLEMENTATION OF CORPORATE SOCIAL RESPONSIBILITY

Abstract: This paper deals primarily with the implementation of corporate social responsibility in the law system in Slovak Republic, EU and USA. At first the authors sum up the common definitions of corporate social responsibility, and then they introduce the most important standards for CSR. Summary of the law implementation of CSR in USA, EU and Slovak Republic follows. The authors examine several legal adjustments of CSR.

Key words: corporate social responsibility, law, legal adjustment
